

HOW TO APPLY FOR YOUR AIR CONDITIONER REBATE

To apply for your A/C rebate, please carefully read the information below, and then complete the **Rebate Request Form**.

Rebate Requirements:

- Unit must be ENERGY STAR® qualified **SEER 15 or greater**.
- Must be installed by a State of Florida Certified Heating, Air Conditioning, Refrigeration and Ventilation (HARV) or mechanical contractor. Provide the approved City of Homestead permit with all final inspections having been passed and the contractor's invoice or paid receipt, which must include the contractor's license number, the customer's name, address of installation and date of sale.
- Please submit a copy of the "Certificate of ARI Certified Performance" provided by the contractor.

Energy Efficiency Rebate Policy:

Section 1. Overview

Homestead Public Services offers conditional rebates to qualifying customers as an incentive to install qualifying ENERGY STAR® equipment. Customers benefit from Qualifying Energy Efficient Equipment through utility bill savings and sound environmental stewardship; Homestead Public Services benefits by reducing its peak demand and reliance on power production from fossil fuels.

Section 2. Program Eligibility Criteria and Requirements

The following criteria and requirements must be met for a customer to be deemed eligible for a rebate.

2.01. Eligible Participants

- Only City of Homestead Utility residential retail electric customers of record at time of installation may qualify for a rebate.
- The Qualifying Energy Efficient Equipment must be located on the customer's premises, and within Homestead Public Services service territory, and must receive retail electric service from the City of Homestead (Homestead Public Services).
- Your City of Homestead Utility Bill must be paid up to date and remain current to be eligible to receive a rebate.

2.02. Qualifying Energy Efficient Equipment

- The following provides the equipment and appliances that qualify for a rebate; the rebate amount; and the limit on the number of rebates per customer:
 - ENERGY STAR® Air Conditioner/Heat Pump installed by a licensed AC Contractor with approved City of Homestead permits with all final inspections having been passed.

- Rebate Amount:

AIR CONDITIONER REBATE FORM

Energy Efficiency Rebate Policy - *continued*

2.02.1. Application

- An application for a rebate must be completed and approved by Homestead Public Services.
- A copy of the proof of purchase by the utility customer must be attached and mailed to Homestead Public Services within 90 days of purchase and installation. The proof of purchase must include the customer's name, address, and date of purchase.

2.03. Additional Terms; Rebate Credit

- Homestead Public Services reserves the right, in its sole and absolute discretion, to
 - Withhold payment of any rebate until any identified problems with the applications and/or the rebate program are resolved.
 - Terminate this rebate in whole or in part due to the recipient's failure to fulfill the terms and conditions in this document, or due to non-appropriation of necessary funds.
 - Alter the rebate program at any time and without notice to customer.
- All rebates are subject to funding availability. Homestead Public Services may cancel a rebate at any time prior to payment, without notice, due to lack of available funds.
- First come, first serve. All applications will be date and time stamped as soon as they are delivered to the receptionist at Homestead Public Services located at 675 N Flagler Avenue Homestead, FL 33030.
- Rebates may take between 6-8 weeks for processing.
- Rebates may be paid to customer in the form of a check. In the event that a qualifying customer is in default of any payment obligations to The City of Homestead, Homestead Public Services may, in its sole and absolute discretion, apply the rebate as a credit against such default amounts.

2.04. Limit of Liability; Indemnification

- In no way shall Homestead Public Services be liable for, and Customer hereby agrees to indemnify, defend and hold harmless Homestead Public Services, its subsidiaries or affiliates, and their respective employees, officers and directors, from and against any and all liability, loss, damage, cost or expense, including attorney's fees, that may be caused by, due to, occasioned by, or otherwise arising out of the installation, operation, mis-operation, or use of Customer's Qualifying Energy Efficient Equipment.
- Customer acknowledges and agrees that in no event shall any statement, representation, or lack thereof, either express or implied, by the City of Homestead, relieve the Customer of exclusive responsibility for the Customer's Qualifying Energy Efficient Equipment. Specifically, Homestead Public Services approval of the rebate application, payment of the rebate, or any Homestead Public Services inspection of the Qualifying Energy Efficient Equipment shall not be construed as confirming or endorsing the Qualifying Energy Efficient Equipment design or its operating or maintenance procedures nor as a warranty or guarantee as to the safety, reliability, or durability of the Qualifying Energy Efficient Equipment.

2.05. Renewable Energy Credits; Green Attributes

- By participating in this program, customer agrees that Homestead Public Services shall have the sole right to obtain and retain ownership of, and to qualify for and receive the full benefit of, any and all existing and future credits, certificates, benefits, environmental attributes, emissions reductions, offsets and/or allowances, however entitled, attributable to the purchase, installation and/or operation of the Qualifying Energy Efficient Equipment.
